Archive: This message is being viewed in an archive.

Attached is EPA's confirmation of the PRG agreements. In general, the attached document matches up with the notes we received from the LWG on July 11, 2008. Note that EPA has made some minor modifications to the chemical list. We have attached a table of PRG chemicals and methods.

Please let me know if you have any questions or if any follow-up is required.

Thanks, Eric
